Ugh! September 4, 1974—The first day of school. Students—teachers—staff gathered together for a year of fun—HA! As for the students, we ambled into classes with summer tans—some of us anxious for the meeting of new faces, new ideas, new challenges—it was in all of us, only in varying amounts of enthusiasm—to add something—big, little, or nothing at all.

A book can't tell the whole story of what happened to 1755 students; that's for you to remember. One day you'll pick it up and open it. Suddenly you'll recall when the seniors turned Homecoming Week into Senior Week as they started it by winning the Powderpuff game, continued by winning the Spirit Week award and ended it by submitting the winning float. You can also recall the day you pulled an "A" on the test you didn't study for or the day some crazy kid pulled the fire alarm and sent you into the cold for twenty minutes. But these will be your memories—you the individual—you the one out of many—yourself—an individual's individual.

"Hi Ho Silver Away" came the lonely cries of the masked ranger, amidst the painted faces of a tribe of Indians, ready for the war-path. . . .

And then there was the old western style of Homecoming '74. From its beginning in a small saloon on Senior Day, the festivities engulfed the entire student body in a rollicking week of spirit! But as the week had come to a close, many long hours of hard work were to take the

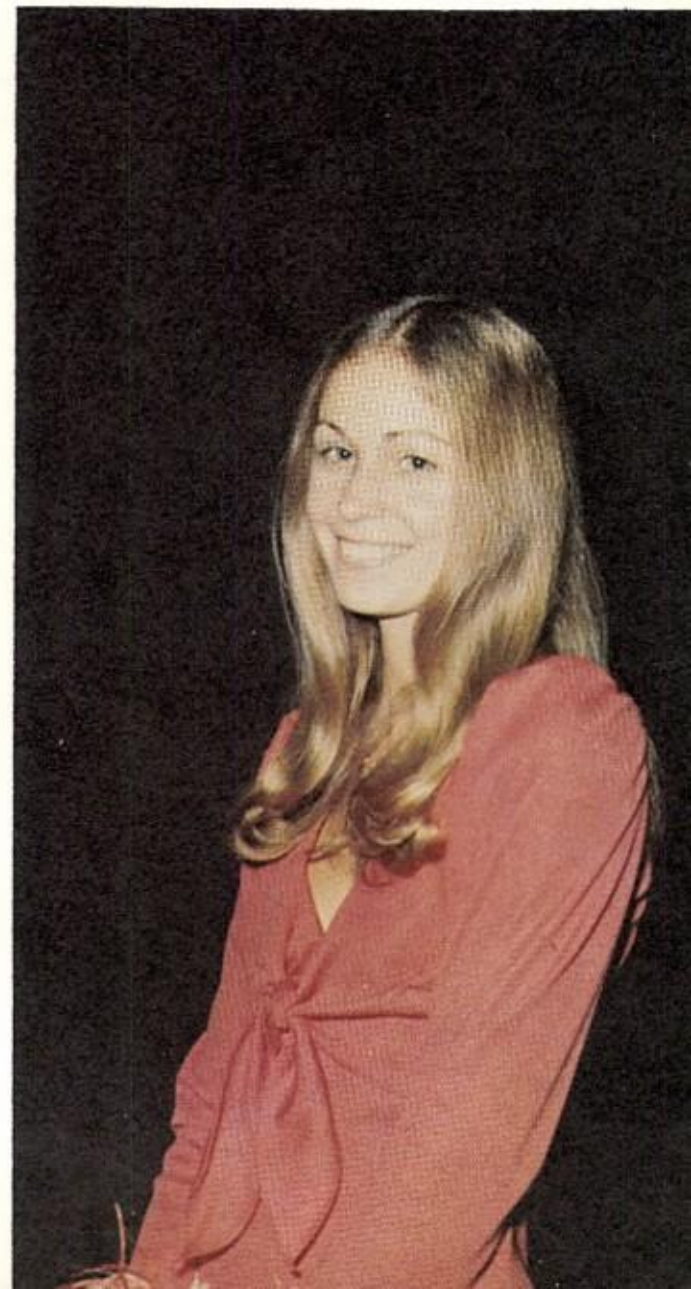

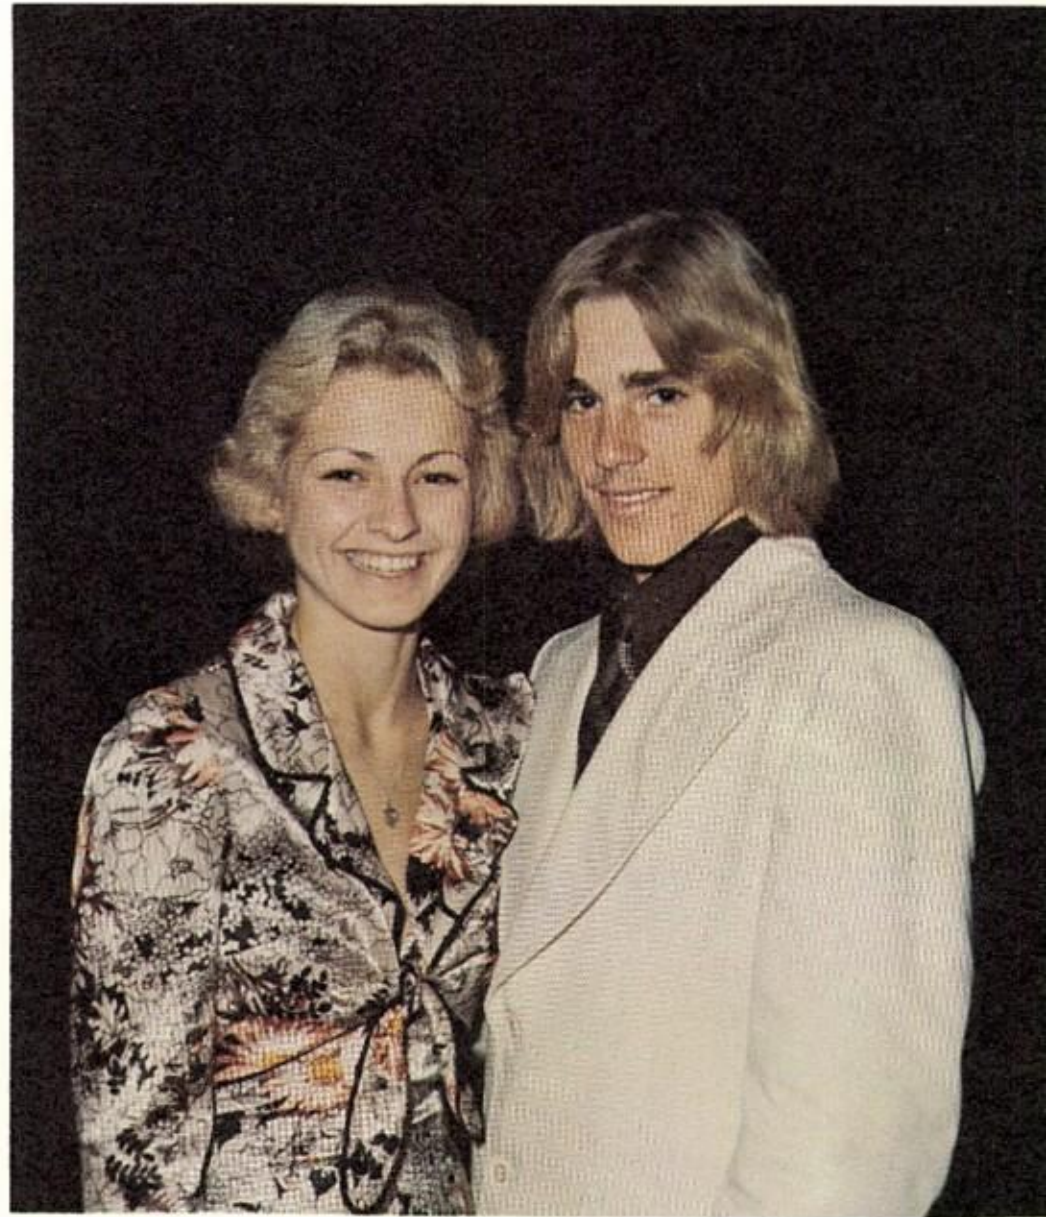

floor. . . .

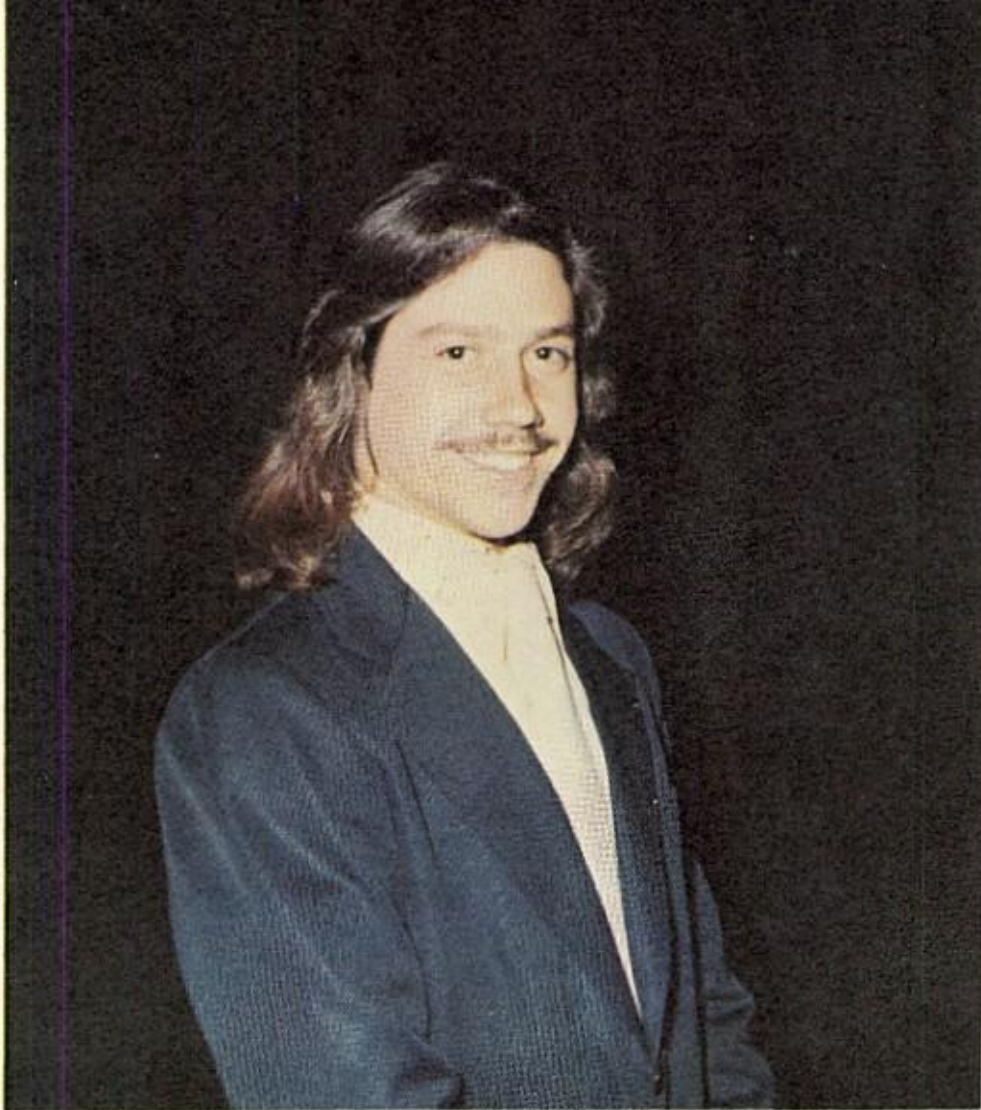

Four beautiful floats, one presented from each class were put on exhibition, their leader showing the trophy of the winning Senior float.

With all to pass, the bonfire, the election of chief and queen, and the spirit of the student body, our guys showed their spirit on the field. But spirit wasn't enough as Kettering handed out a 21-0 defeat.

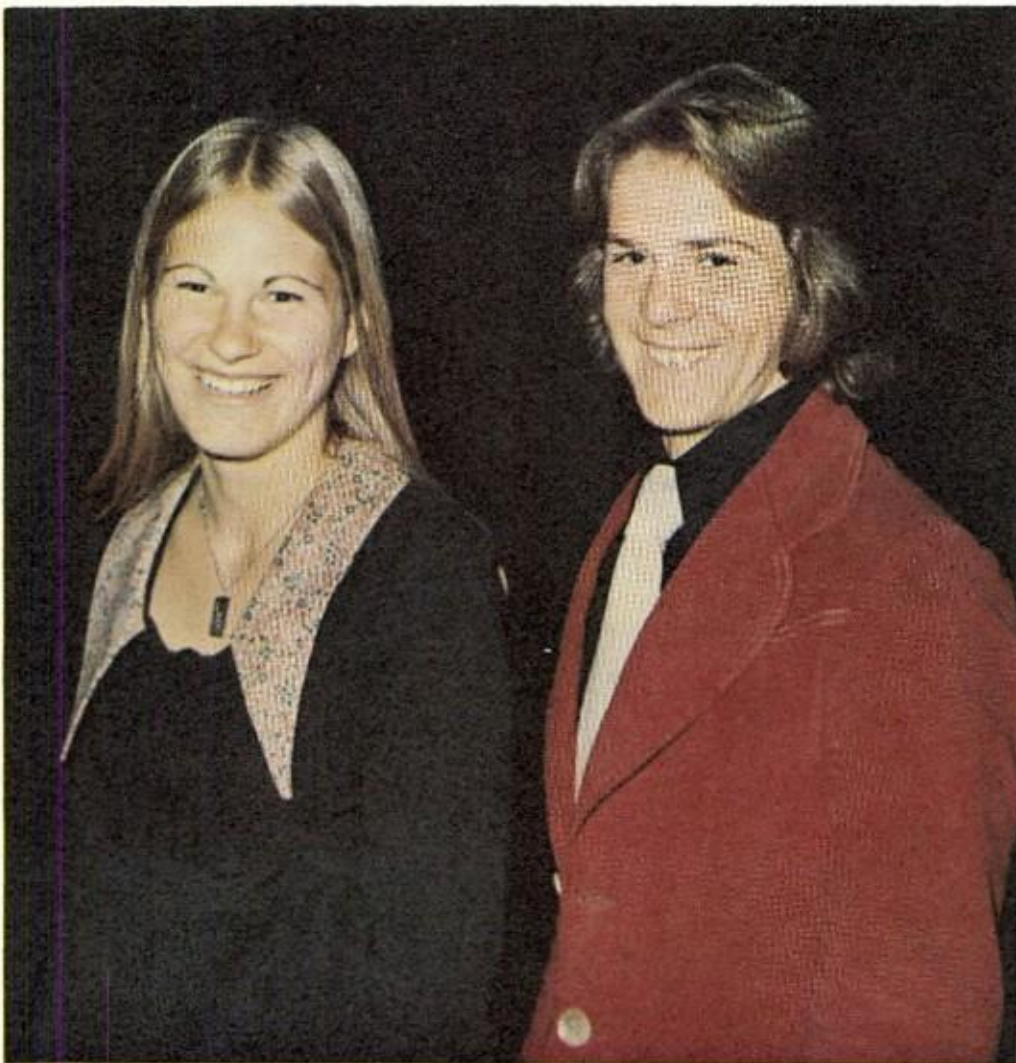

MHS Homecoming Candidates

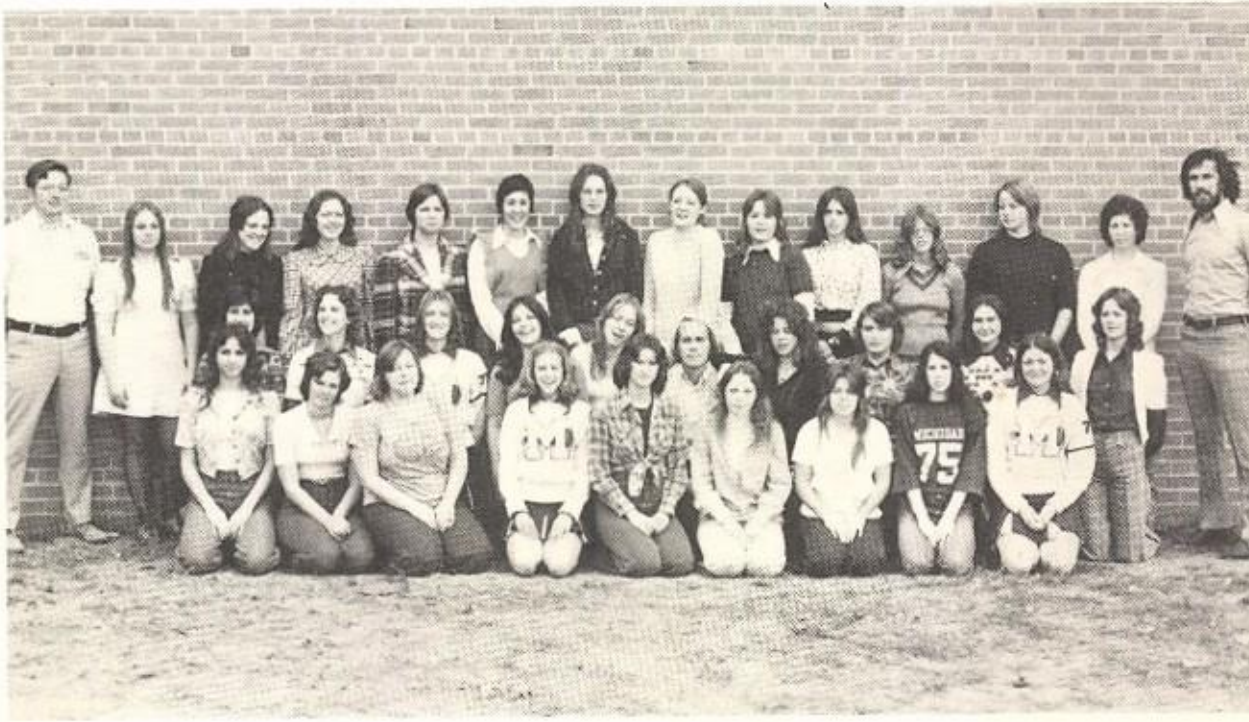

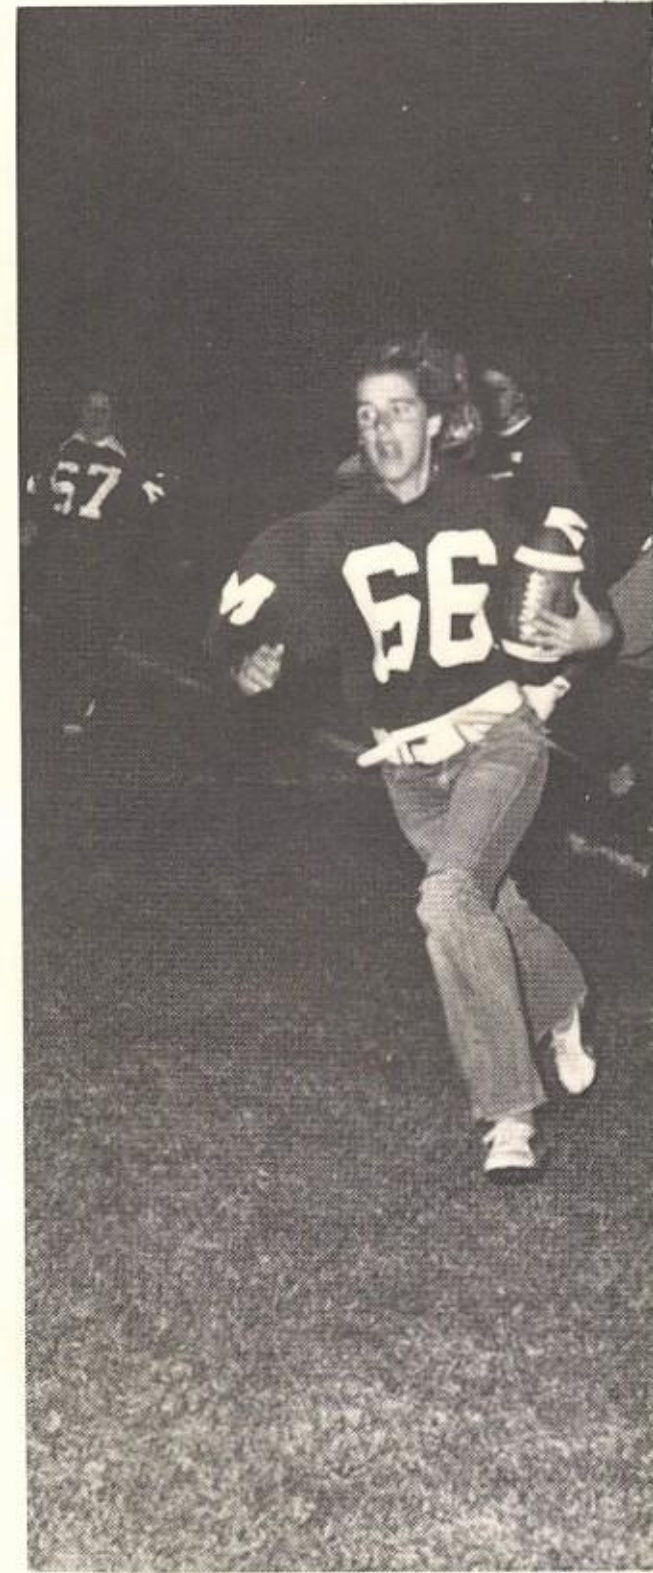

CECE EHGOTZ and DAN BOKA were elected as chief and queen for the court of '75. ROGER HEFFELBOWER, BILL SCHWARTZ, TINA CHEYZ and DARLENE CAMERON were the other senior rep's, while JIM ALLIE, ANNA ABERCROMBIE, COLLEEN CLUNE, LARRY DeVINE, LEIGH ANN THOME, and STEVE VARILONE represented their classes on the court.

TWEET, TWEET, TWEET, TWEET ready 2, 3, 4! That's how everything seemed to start. Like last summer in Traverse City when the band took first place in the Grand Royal Parade, and second place in the Junior Royal Parade. They also won the famous Toast of Cherryland award which is given every year to the band who displays the most spirit and best represents their home town.

Returning to school in the fall, the band confronted a new director, MR. LUTZ. The band then went on to take first place in the Eastern Homecoming Parade. The highlights of the marching season were displayed in their Stadium Echoes Concert.

Seminar in Performing Arts

The Performing Arts group previews movies; their main purpose is to get young people, adults, and senior citizens interested in seeing outstanding theater productions. It also provides an opportunity to preview new films which have not been released in the Detroit area.

MR. JOHN JOANNIDES, who is the coordinator of the group feels the world of theater and films can help motivate the creativity and talent which is so much a part of young people.

better year

This year Student Congress has been a very busy part of Milford High School.

JILL WILSON, this year's president, has been working hard with her officers, TINA CHEYZ, KATHY GOLDEN, KATHY MC DOUGALL, and JEFF HUNTER, to make the eighty member congress work together.

The Blood Bank, sponsored by the congress was very successful, as was this year's homecoming festivities.

Thanks so much to all the members of this year's congress for all the hard work everybody has put into making things go great at Milford.

Along with a new student publications advisor the SMOKE SIGNALS the student newspaper and the TOTEMPOLE a pictorial year in review, both took on a new face this year.

MRS. SALLY GOWING has helped students show a more professional outlook in all of the student publications.

This year's SMOKE SIGNALS was printed professionally while it brought a new awareness to events to MHS. The TOTEMPOLE remembers the 74-75 year.

Each year language clubs and YFU tries to go to their respective countries, to stay for a week or two.

Seniors on the move

National Honor Society and Senior Trip Club are just two of the many organizations members of the senior class are involved in during the 1974-1975 school year.

Led by president, MARK MOYNHAN, the NHS sponsored the homecoming bonfire as one of its varied activities. MRS.

DOLORES LOVEJOY is the sponsor of NHS.

The trip club worked all year to earn money for their cruise to the Bahamas, during the Easter recess. A Disney-world stopover helped make the trip a real success for the seniors.

The Milford Area Radio Society, MARS, as it is known to many, brought another enchanting year of music to MHS. Although the buzzing speakers and wacky disc jocks are part of the Radio Club, the club has set high goals; namely the establishment of an educationally oriented radio station at MHS.

While the Radio Club tangles with the FCC and the School Board, SPOTS, Students Politically Oriented Toward Society has taken action against other student problems. Of their efforts have come teacher evaluation and course description booklets for the assistance of students in scheduling this semester.

MAAP's: is it

really such a bad thing?

There are two sides to this story. Many of the students and teachers didn't agree with the idea.

Some said it was a good thing. In some of the MAAP's classes a lot was done. In others, a lot of sleeping was done.

MAAP's classes helped with the toys for tots program, helped with scheduling, and gave a lot of students time to catch up on forgotten homework.

Physical Education tries a new approach

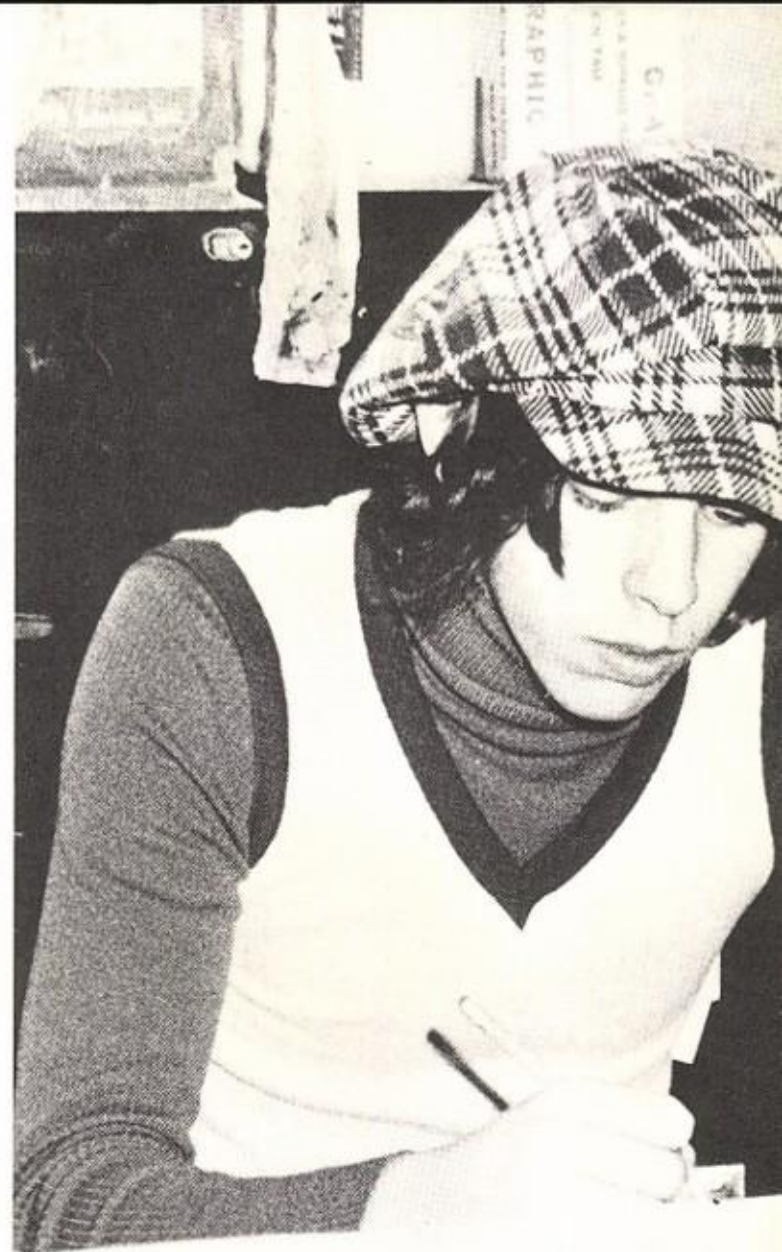

Outdoor Recreation is a new class offered this year at Milford High. Mr. Gilbert teaches this two hour block.

If you were lucky enough to get the instructor approval needed to take this class, you would be participating in archery, canoeing, tobogganing, skating, cross country skiing, hiking, and biking.

work enjoyable

Worn-out feet, left over passes, and phones ringing are just a few of the hazards the clerical assistants face every day of the semester. The rewarding part is in knowing that the job you have just done was done the best way possible.

These people work hard for the half credit earned in working in the office. The passes always reach their destinations, even if they are late.

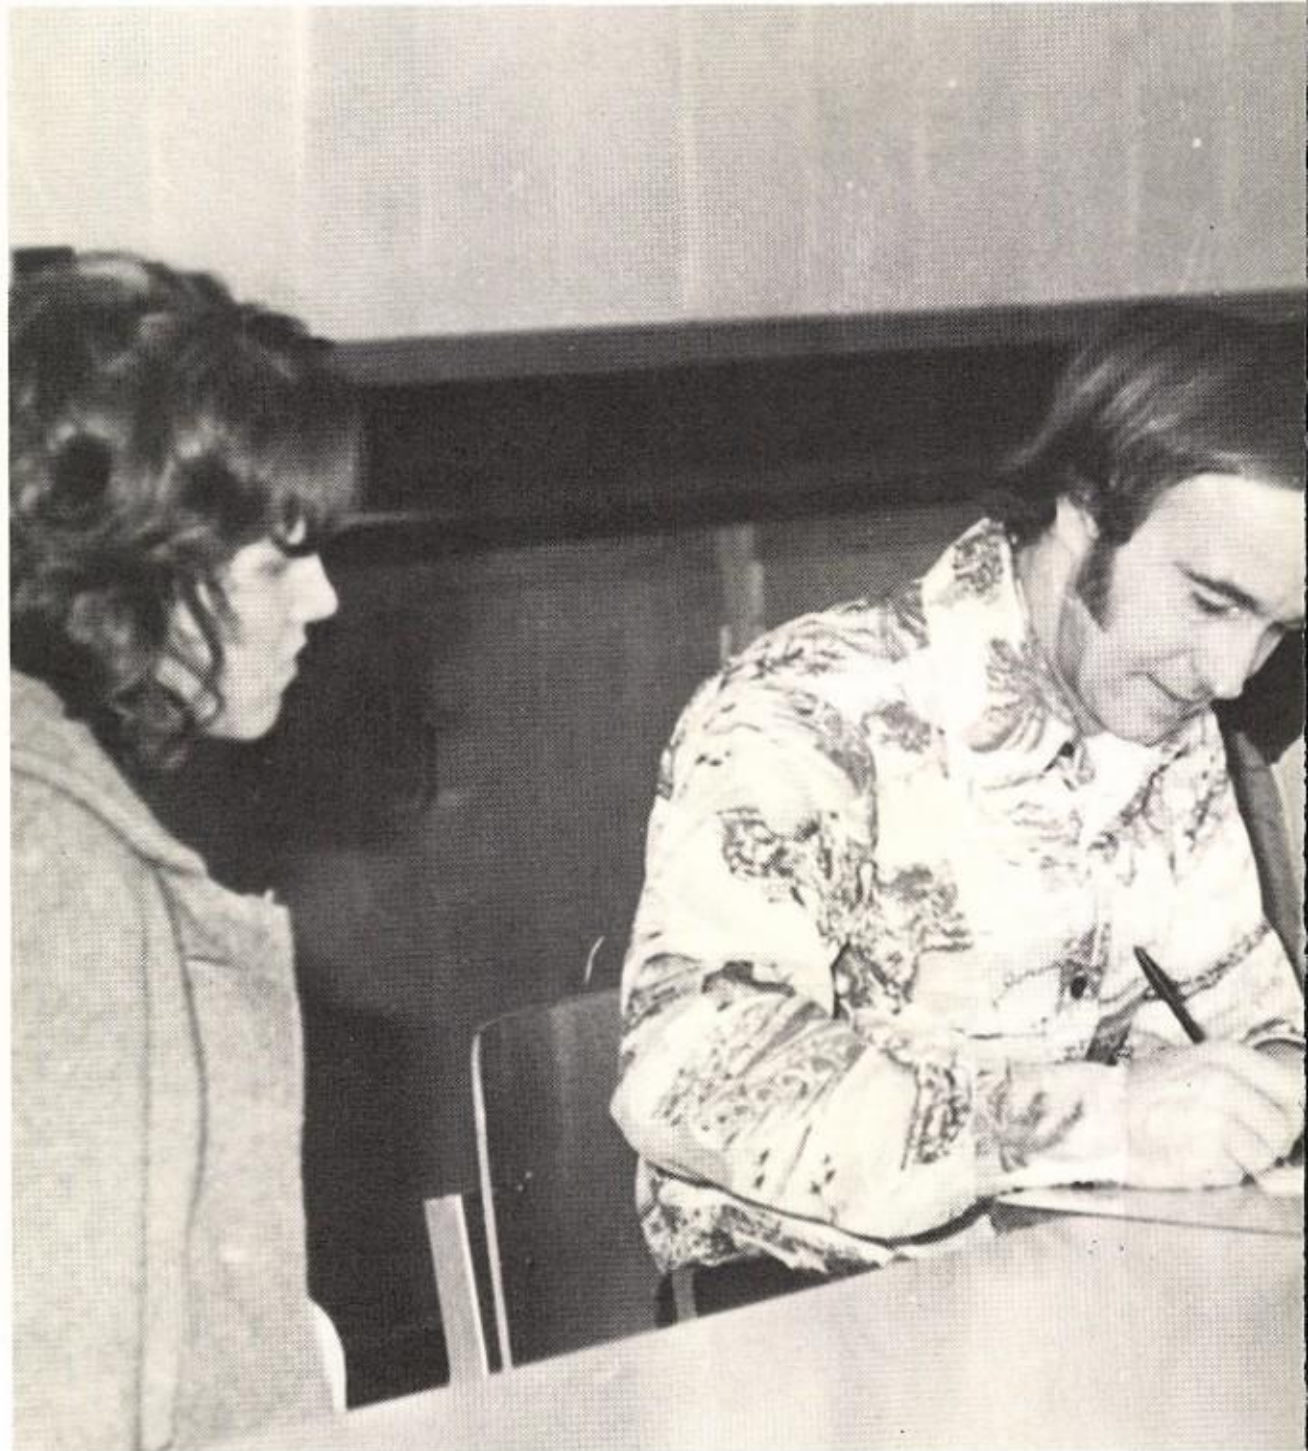

(Above:) MRS. ETHELYN NEWCOMB works at answering phones and keeping of the general office. (Left:) DIANNE DIXSON checks the rolodex for class numbers. (Below:) PAM NEALER sorts the mail for the different departments.

Co-op finds students all types

of jobs

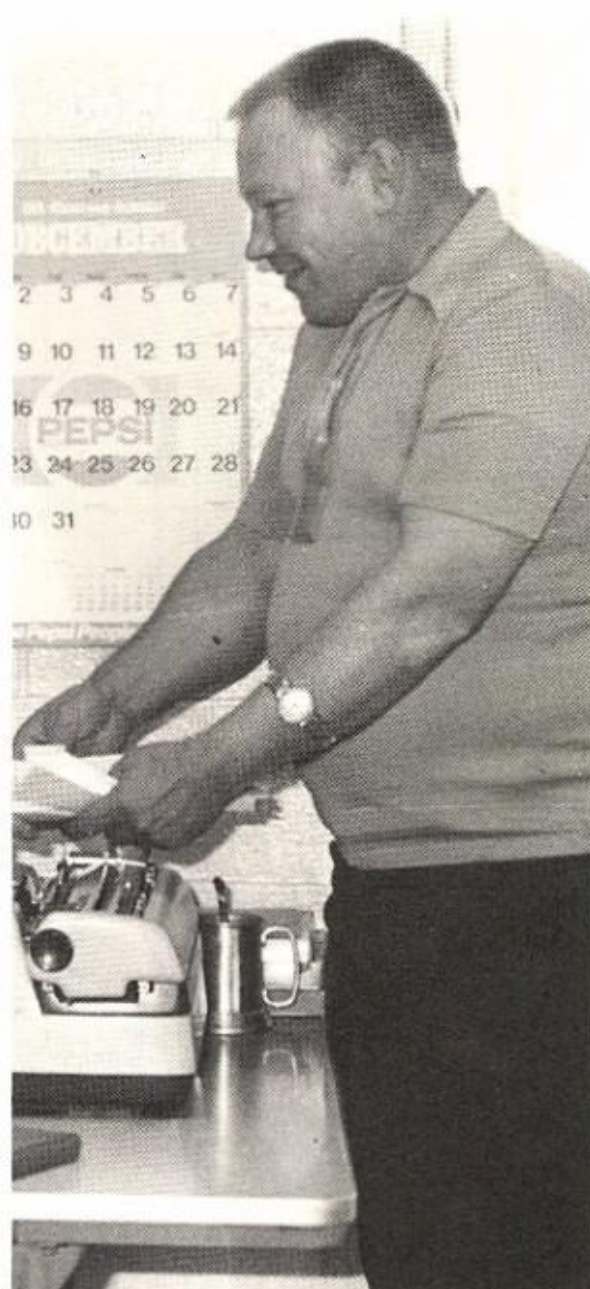

Office, Retail, Distributive, Industrial and Trade Co-op has found a wide variety of jobs for close to 80 students.

The jobs range from boys doing clerical work to girls drafting at GM's Proving Grounds.

The co-op supervisors are MR. GLENN EDWARDS, office and retailing, and MR. JAKE MATTSON, Industry and Trade.

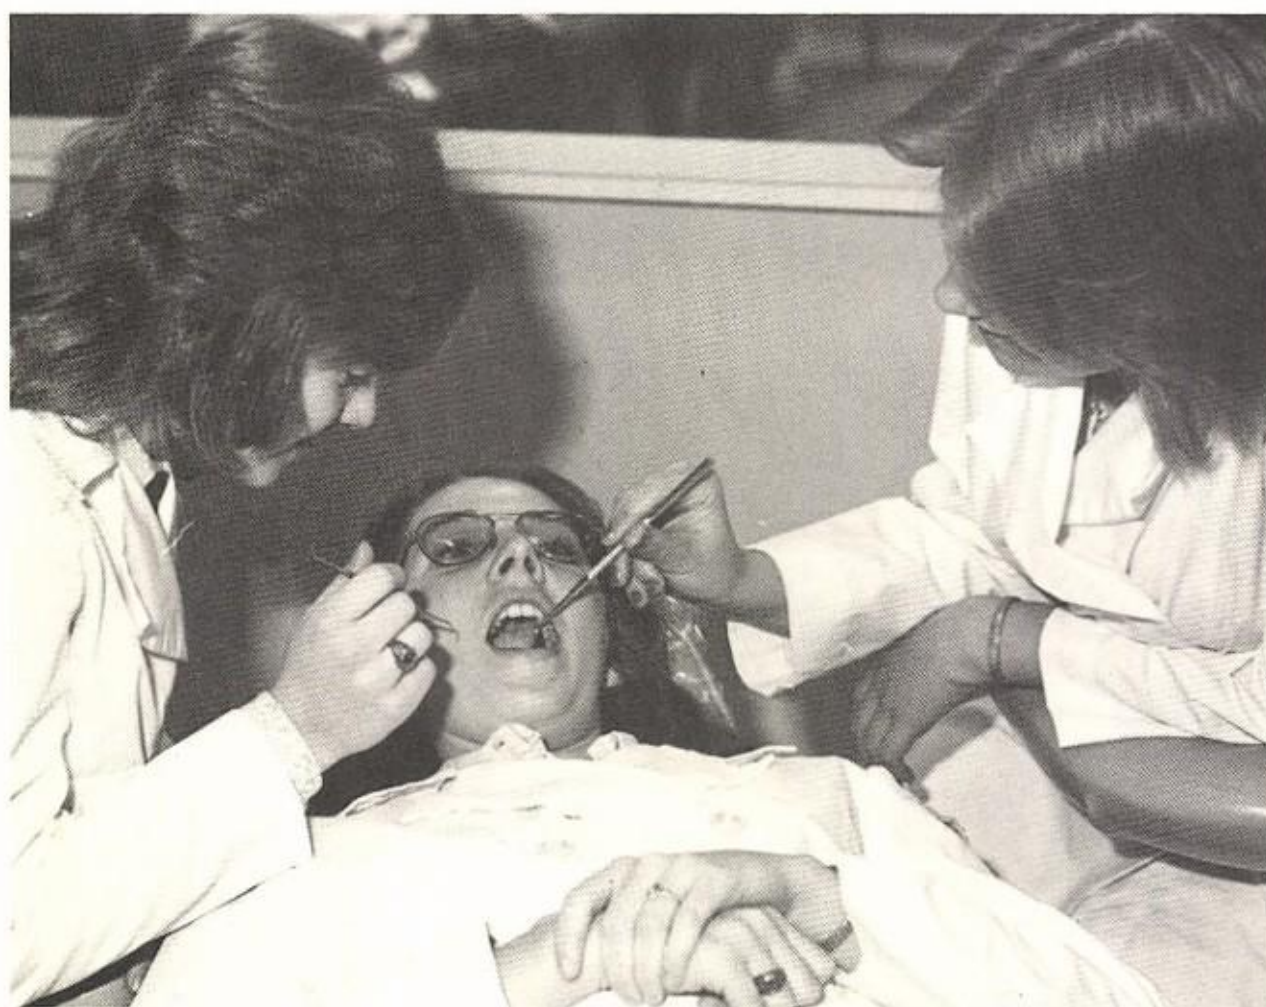

(Above Right:) MR. JAKE MATSON talks to his students about their progress.

programs provide something for all

Many alternative programs are offered to the students and among them are Senior Option, the Vocational School, Build-a-House and the "I" Program. Senior Option allows the students to work or go to college full time. Vocational School teaches and trains in many different fields, such as food distribution and office procedures. Build-a-House is a great opportunity for students who like carpentry since the house is built completely by students. (see left and next to left) The "I" Program involves an in-depth study of an interest of the student.

7-2-1 finish, ties for 2nd in WOCL

For the fourth year in a row, the MHS Cross Country team has placed second in the WOCL. They've only had four league losses in four years, losing by a total of only four points. All the losses have occurred against the league champs, West Bloomfield.

COACH BALAWADJER felt that injuries have hurt the team, losing RANDY GODWIN, DAN HERR, and CHRIS MORRIS. In spite of the loss of these men, the team went on to beat the Lakeland Eagles with a score of 20-37 in the varsity race and a score of 28-29 in the J.V. race.

The 1974 grid season cannot be measured in wins and losses. Instead team desire, fan loyalty and improved school spirit can be credited as victories. Also individual and over all team improvements were noticeable with each game.

The Redskins sported a new look in the coaching staff this year. MR. GILBERT handled the head coaches duties and was assisted by MR. RUNDLE and MR. BITTINGER.

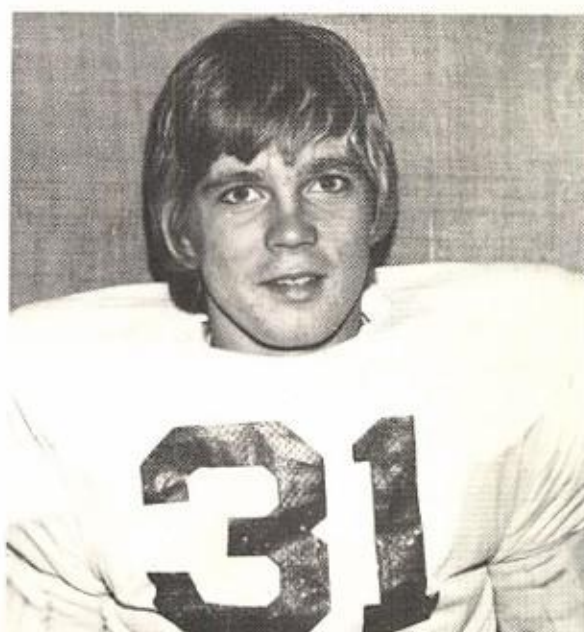

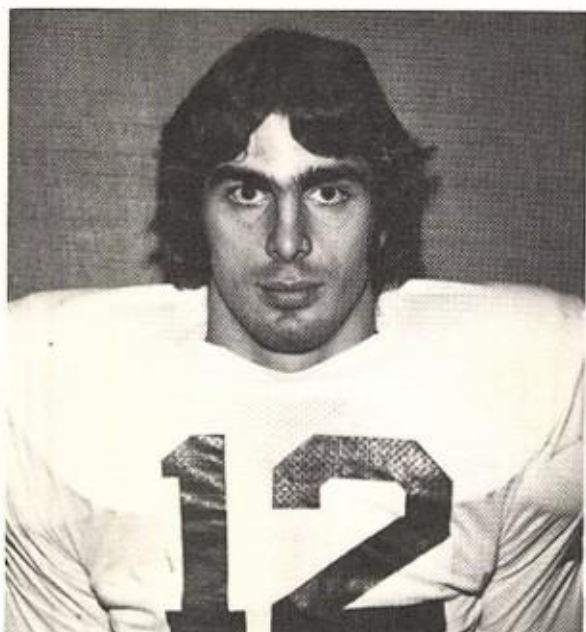

The Redskins squad was led by senior captains BILL SCHWARTZ, JIM MIKULEC and SAM COLEGROVE. Although the season was 1-8, the bitterness of the 8 losses was lessened by the victory over the Lakeland Eagles in the season finale.

The GAA basketball teams showed how practice and a lot of enthusiasm brought results as the varsity girls placed second in the district championship.

MRS. SUE LOCKWOOD helped the varsity girls achieve their victories by being the coach this year.

This year's J.V. coach was MISS CAROLYN WAHL. The J.V. girls brought great spirit to the spectators as they dribbled their way down the court to score an excellent season in basketball.

JV wrestlers improve greatly

The future of Milford's wrestling team rests with the JV squad. Although their win-loss record is not as good as they would like it to be, their talent and willingness to work allows the coaching staff to have a positive outlook.

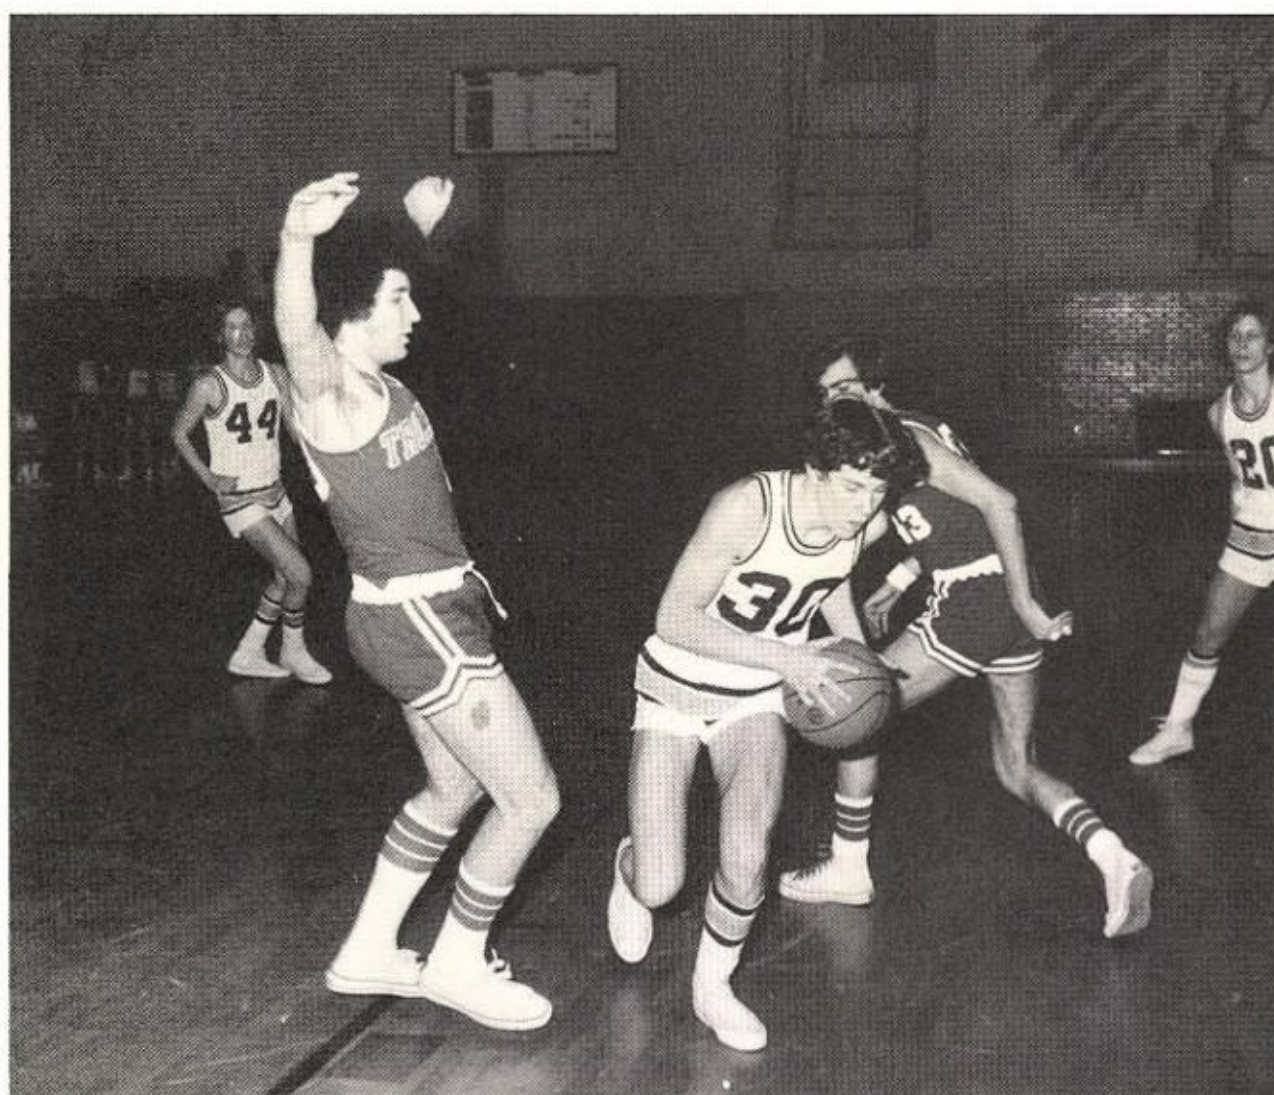

Wrestlers JIM HATHWAY, JOE NEALER, DOUG GRISSOM, TOM SUNDRALA, and CHUCK PARKS show promise of adding balance to the varsity next year.

JV, Frosh teams build confidence for future

Winning is a great feeling and sought after by both the JV and freshman basketball teams, yet they learn to enjoy the game, regardless of whether they win or lose. The dribbling and shooting skills learned will help the players

considerably in future years.

COACH DON PALMER directed the freshman team which finished the season with a fine record. The JV team was coached by BILL RAMSEY. Both teams worked very hard.

spirit spreads through Milford High School

The Cheerleaders brought it and it's catching on all over school. From the first pep assembly, to Homecoming, to the most recent games, these girls have done a magnificent job bringing spirit to the students, players, and faculty.

Their spirited enthusiasm has all the students here at Milford High School believing that there is something still good enough to cheer about.

Milford Iciers take over for a great season

Hockey season for MHS was played at Nordic Arena. The team started off well with the two highest scores being DAN SCHIBOLD and JIM PETERSON. The team was led by co-captains JOHN SPRINGHETTI and MIKE ZSENYUK. "As a whole we are playing very good," stated COACH ROY JOUPPERI.

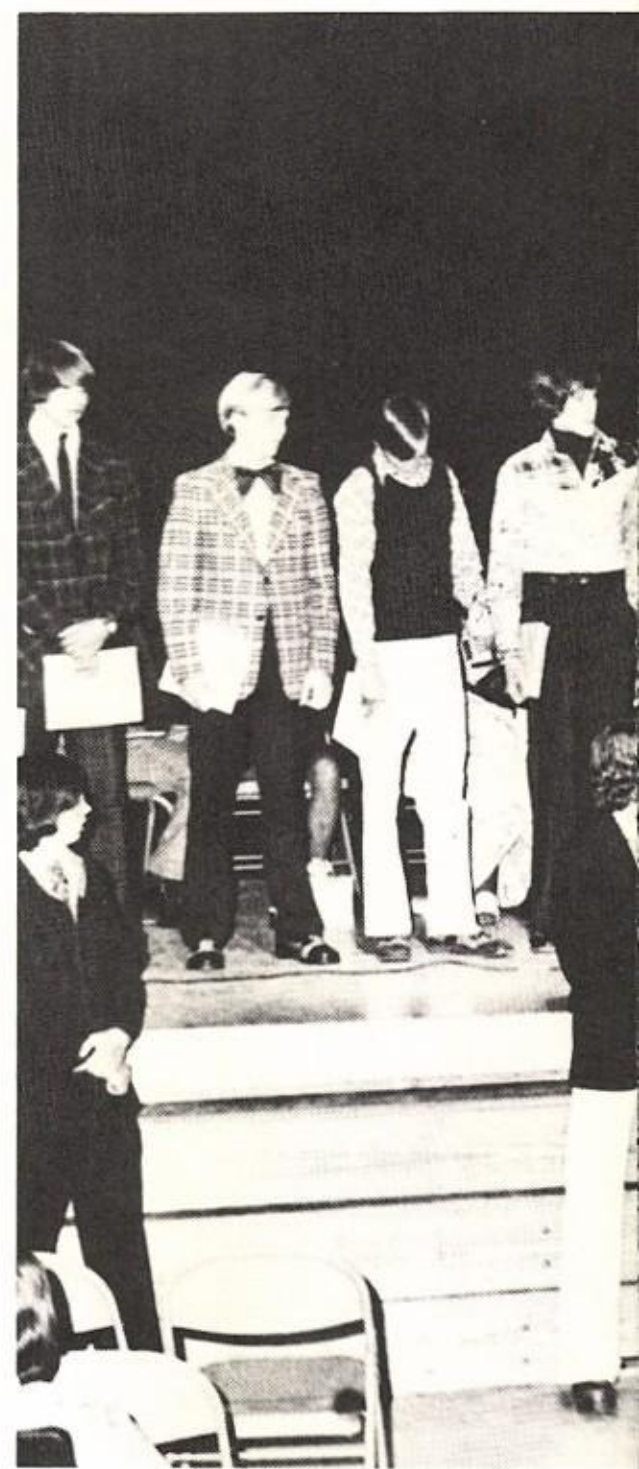

Fall Sports Awards bring pride to the players

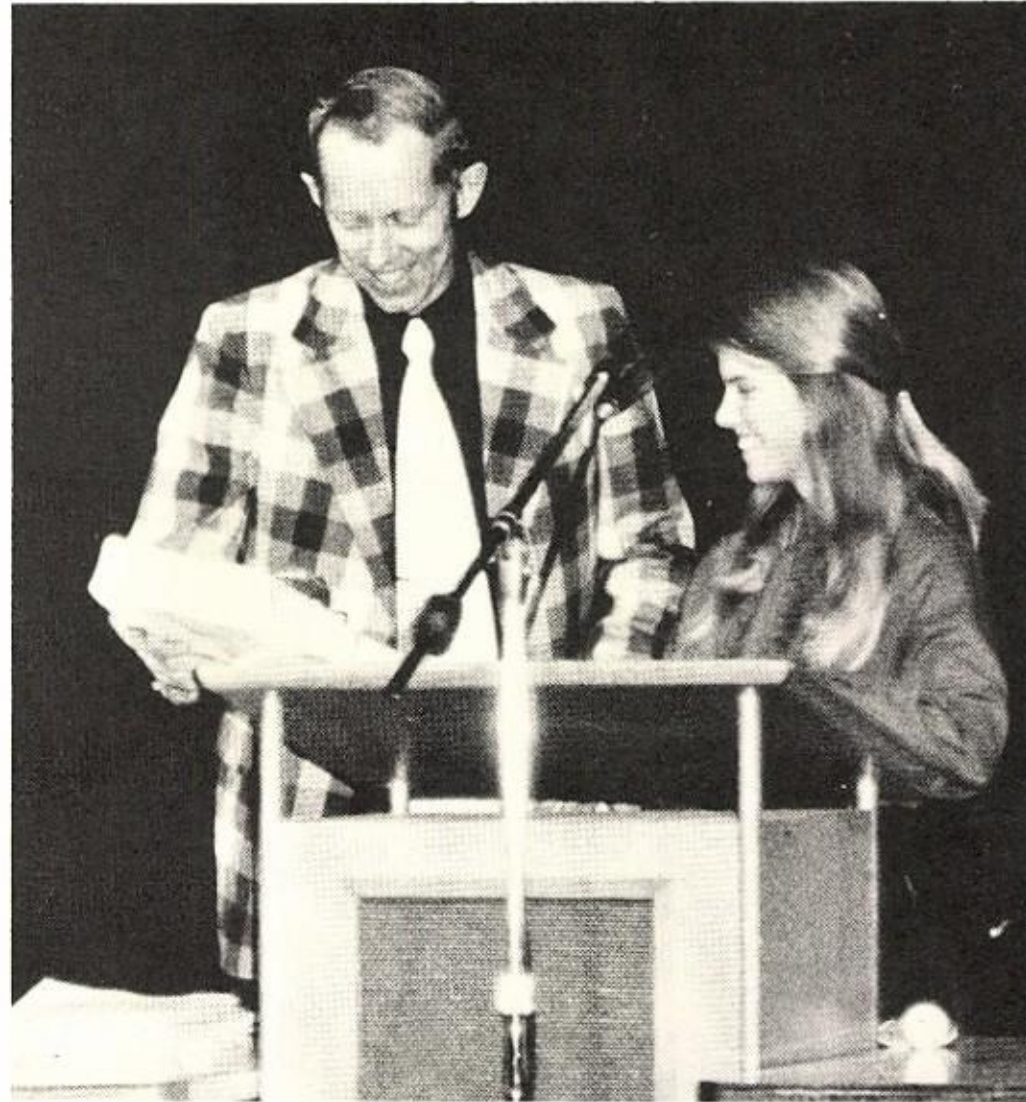

The fall sports awards night consisted of paying tribute to the athletic players of football, golf, girls' tennis, and track.

Taking turns with the awards ceremony were MR. JOHN RASMUSSEN, MR. GENE BALAWADJER, and MR. BRUCE GILBERT.

The players have shown great sportsmanship and pride this year.

playing volleyball

Volleyball gives girls an opportunity to earn their varsity letters. It serves as a winter sport and a healthy, fun exercise for girls.

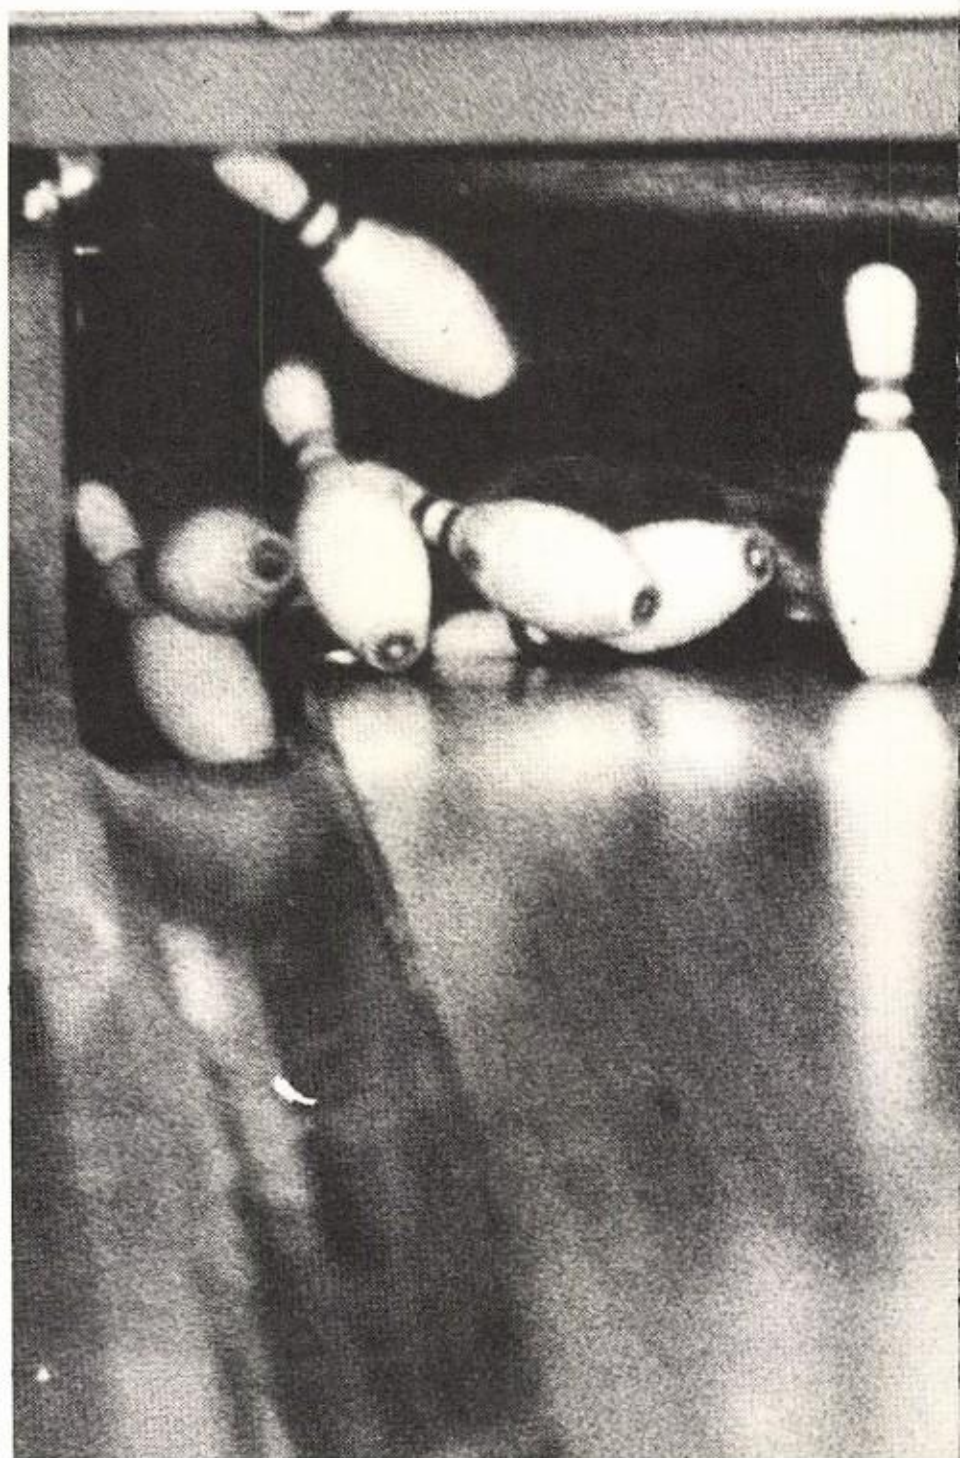

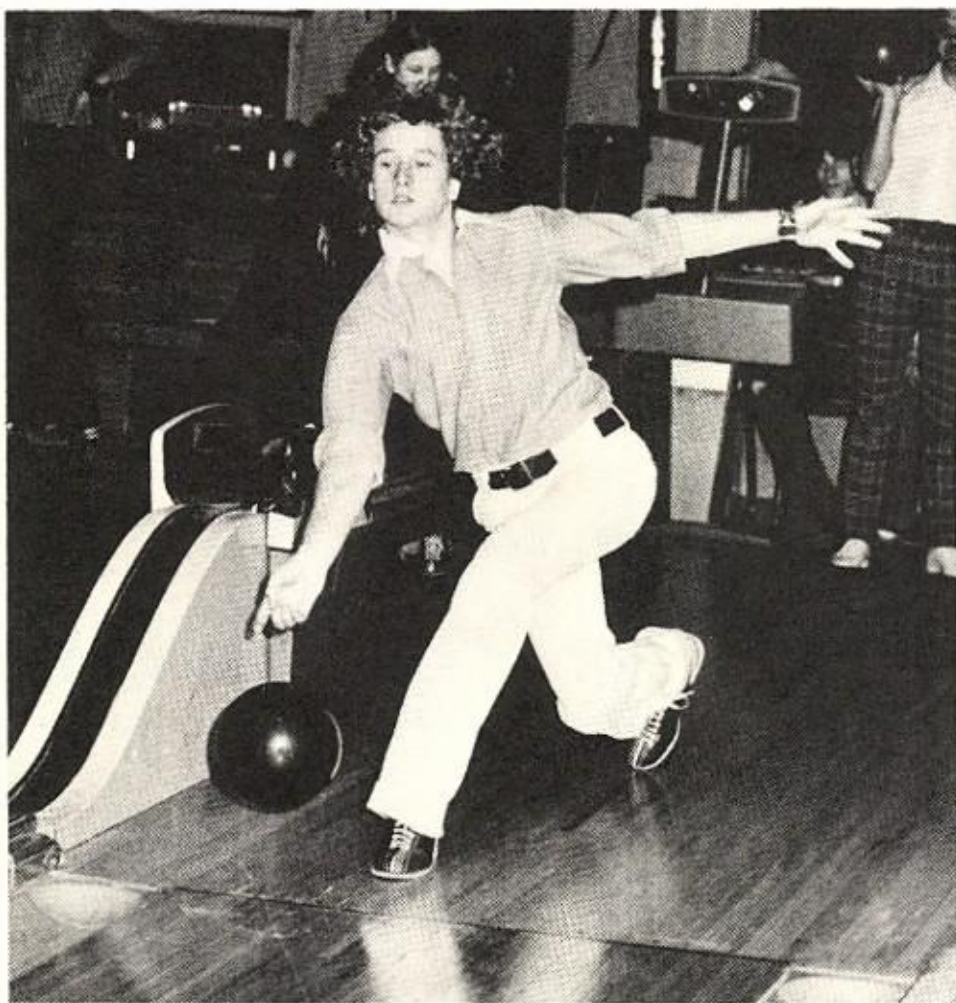

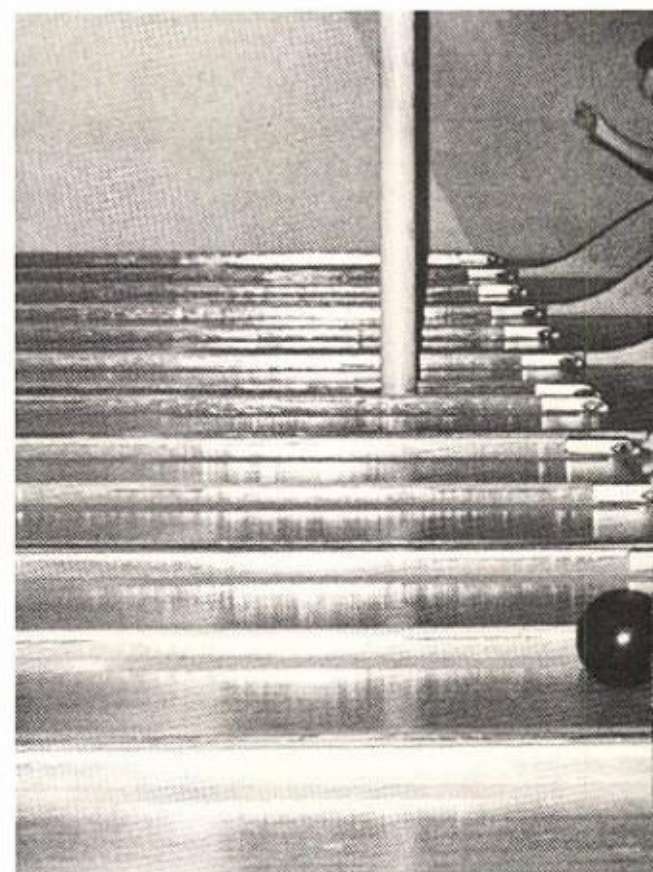

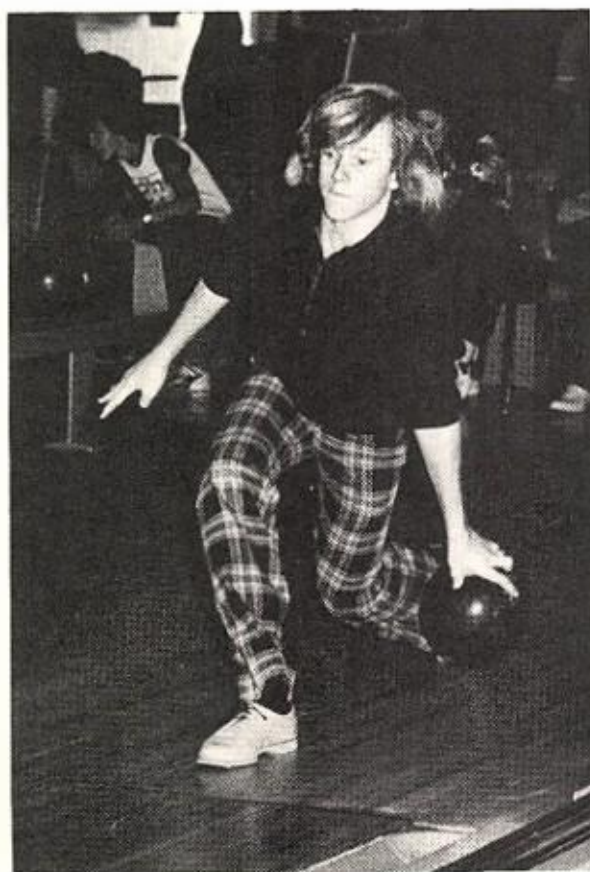

It is now in its third year at Milford. This year MRS. LOCKWOOD coaches the JV and the varsity team. They practice every weeknight and have games twice a week. The teams consist mostly of underclassmen, with VICKY ROSS as the only returning letterman. Although the teams are inexperienced and small in number they are big in determination and sportsmanship.

show their own special talents

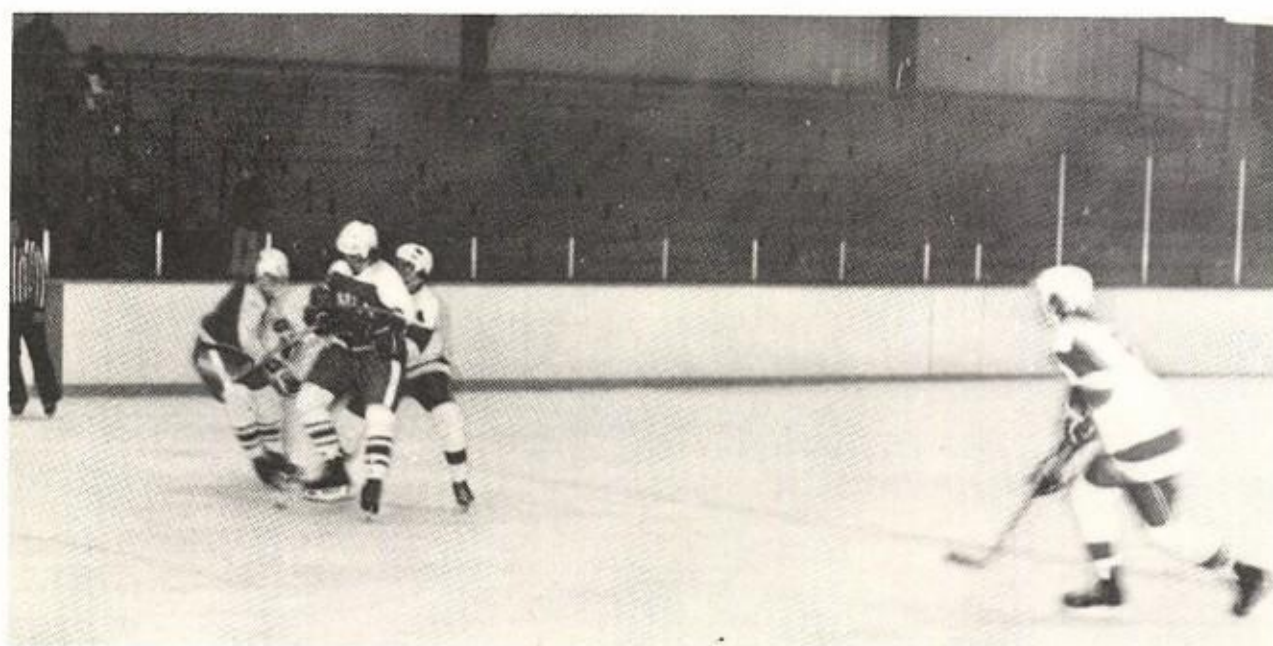

Intramural Bowling is one of the many after school sports for the students at Milford High. They take up two days of bowling at two different bowling alleys. Monday Bowling is at The Highland Lanes. There are only eight lanes so there are only eight teams. Monday's high scores are RICK TADRA with a 224, for girls it is DEBBIE DROUN with a 179. MR. BALAWAJDER is the sponsor.

MARK ORSTROM has the idea that if you kiss the ball it will bring you good luck.

In Memory of . . .

JOHN BRUCK
1957-1974

I cannot say, and I will not say
that he is dead. He is just away.

With a cheery smile, and a wave of the hand,
He has wandered into an unknown land.

And left us dreaming how very fair
It needs must be since he lingers there.

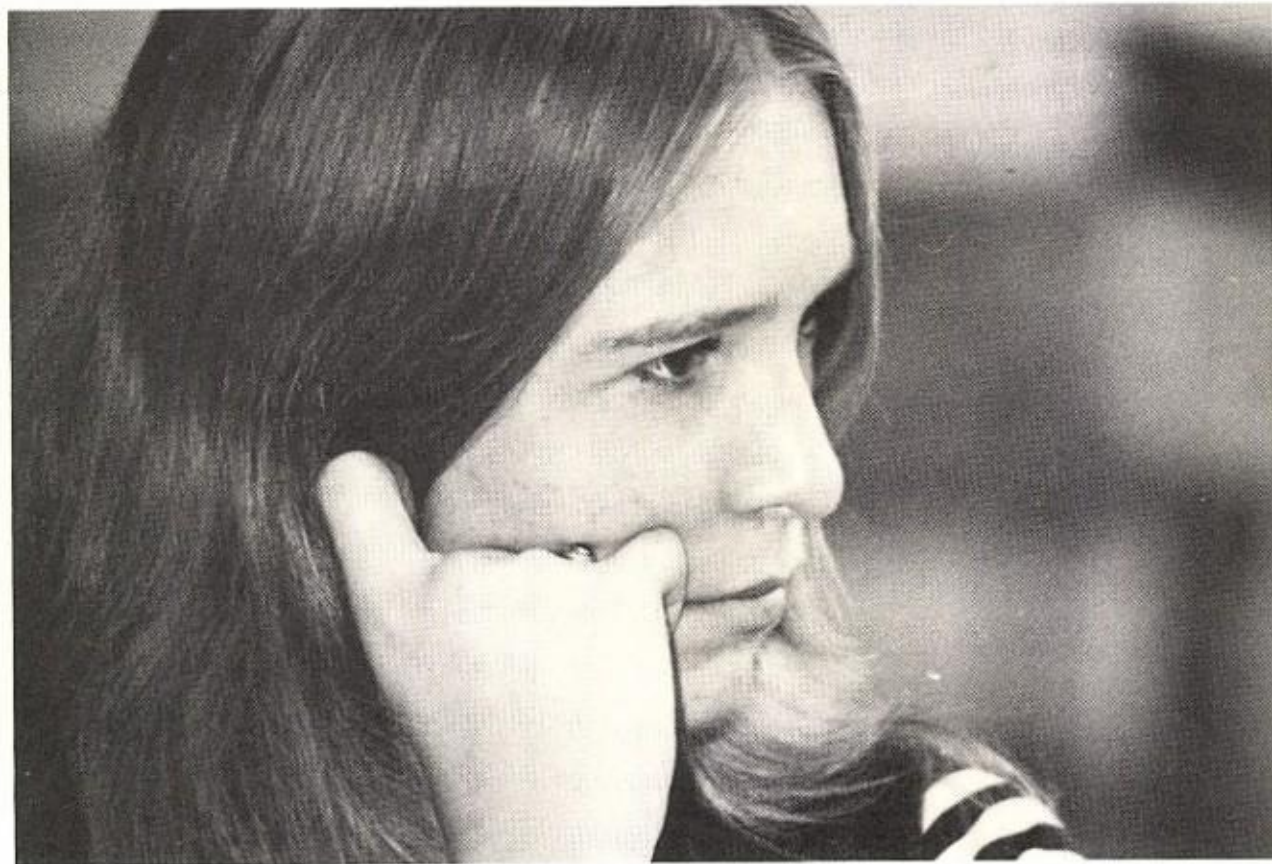

And you—O you, who the wildest yearn
For the old-time step and the glad return—

Think of him faring on, as dear
In the love of there as the love of here;

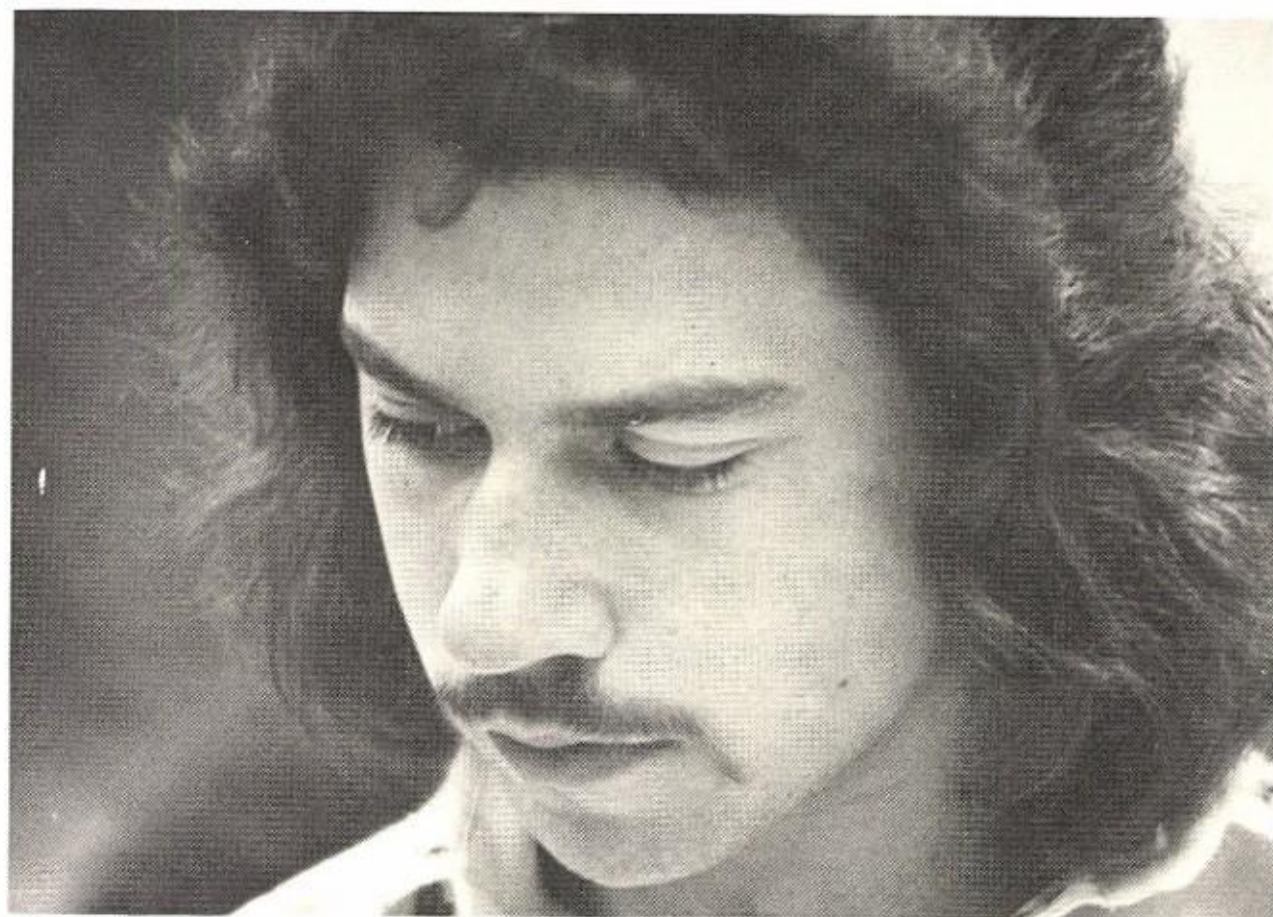

Think of him still as the same, I say;
He is not dead—he is just away!

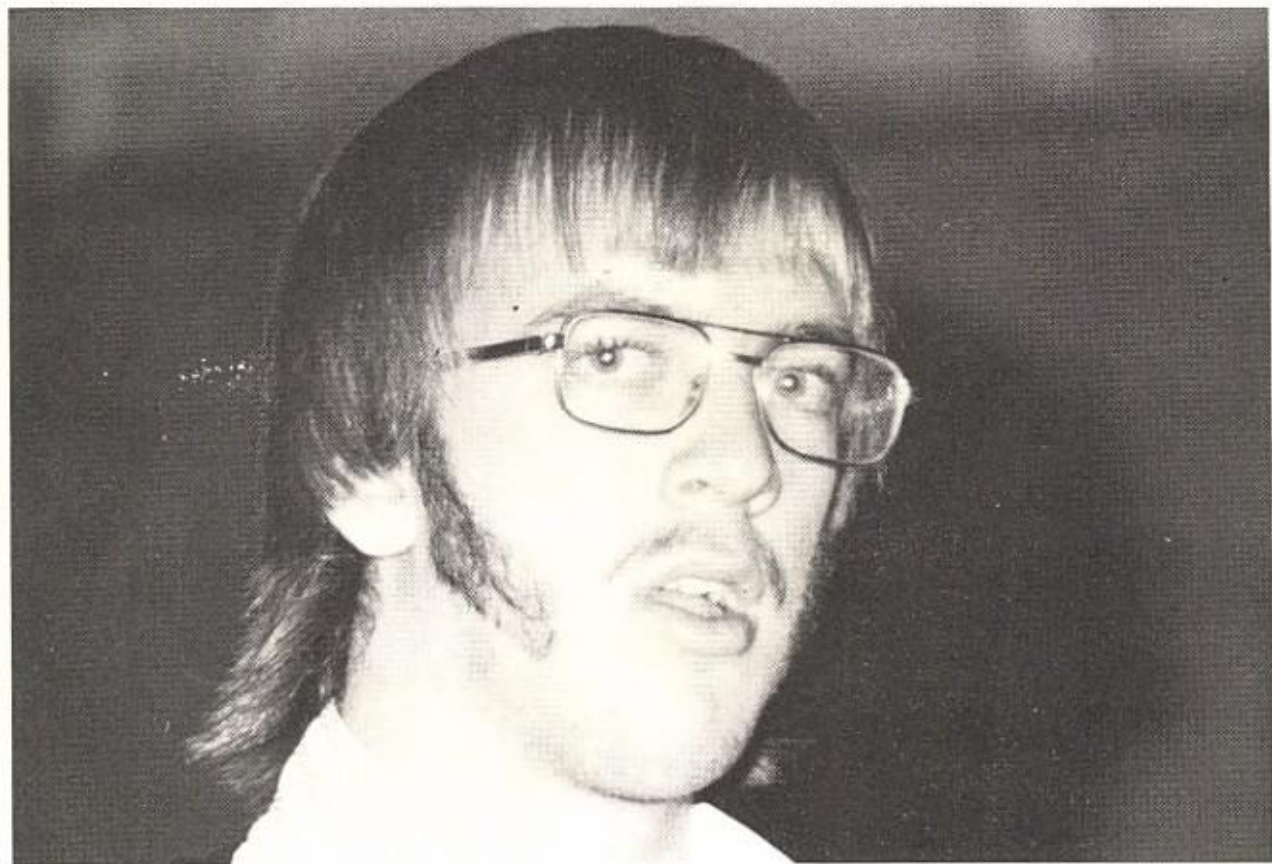

James Whitcomb Riley

New school year brings new faces

Even though they're new at M.H.S. the Freshmen haven't had much trouble adjusting to the strange and unusually early hours of our school. Even during pep week they stormed ahead only to be outdone by the seniors. This Frosh kind of pep keeps M.H.S. alive.

In our ever-changing world of the stock market, price freeze, and wage control, Milford High School students will be better prepared for the competition in the job market, because of business programs offered at MHS.

When you talk about business, Milford High School has plenty of it. When you talk about organizing that business into a modern-day high school, MHS is well staffed with able and efficient secretaries, ready to meet the challenge . . .

microscope and slide rule come . . .

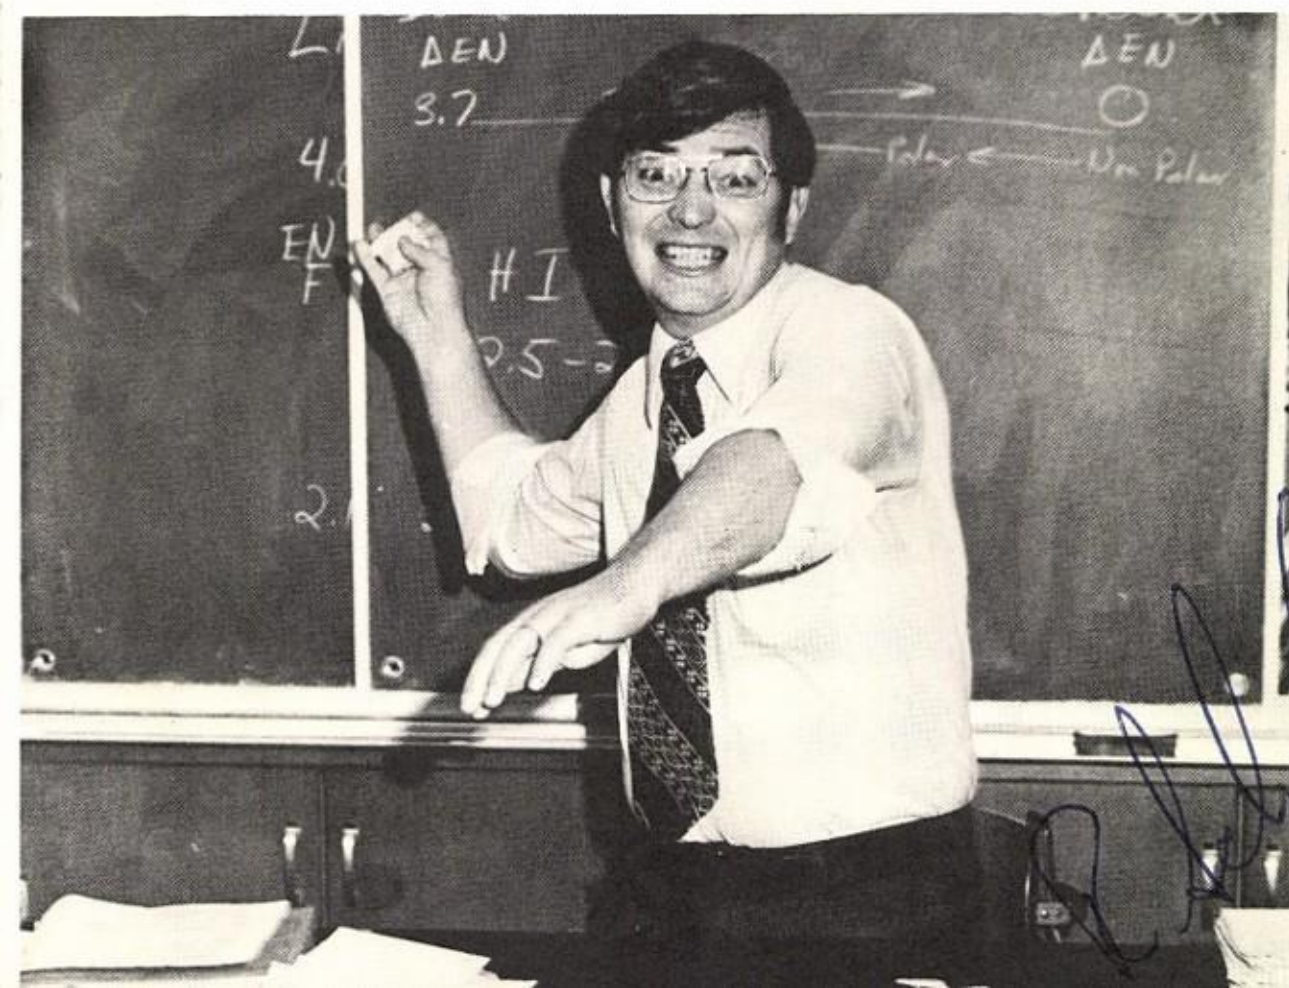

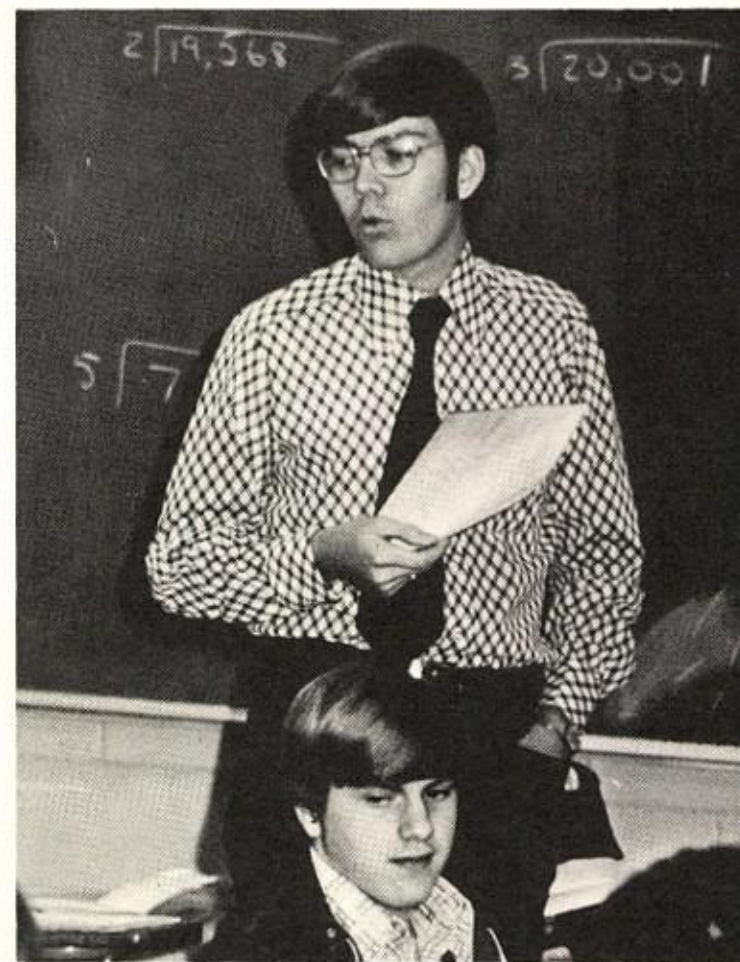

Much has been brewing in the Math and Science Departments this year, but amidst the arithmetic progressions, the potassium cyanide and the central lab, there lurks, ever so slightly, a sense of sanity. From binomials to zinc nitrate, students continue their endeavors, only slightly hindered in their progress, by limited facilities.

But in the light we must admire the teachers in these departments who have brought about a math and science program this high school should be proud of. Who else could teach Milford High School students that πr^2 isn't a contradiction of fact.

This year both the English and Foreign Language Departments have offered new classes. The English Department's new class is Senior Seminar in Reading and Writing. Comparative Cultures is the new addition to the Foreign Language Department's courses. The class studies and compares the cultures of Germany, France, Spain and England.

MHS teachers join in the

struggle for further education

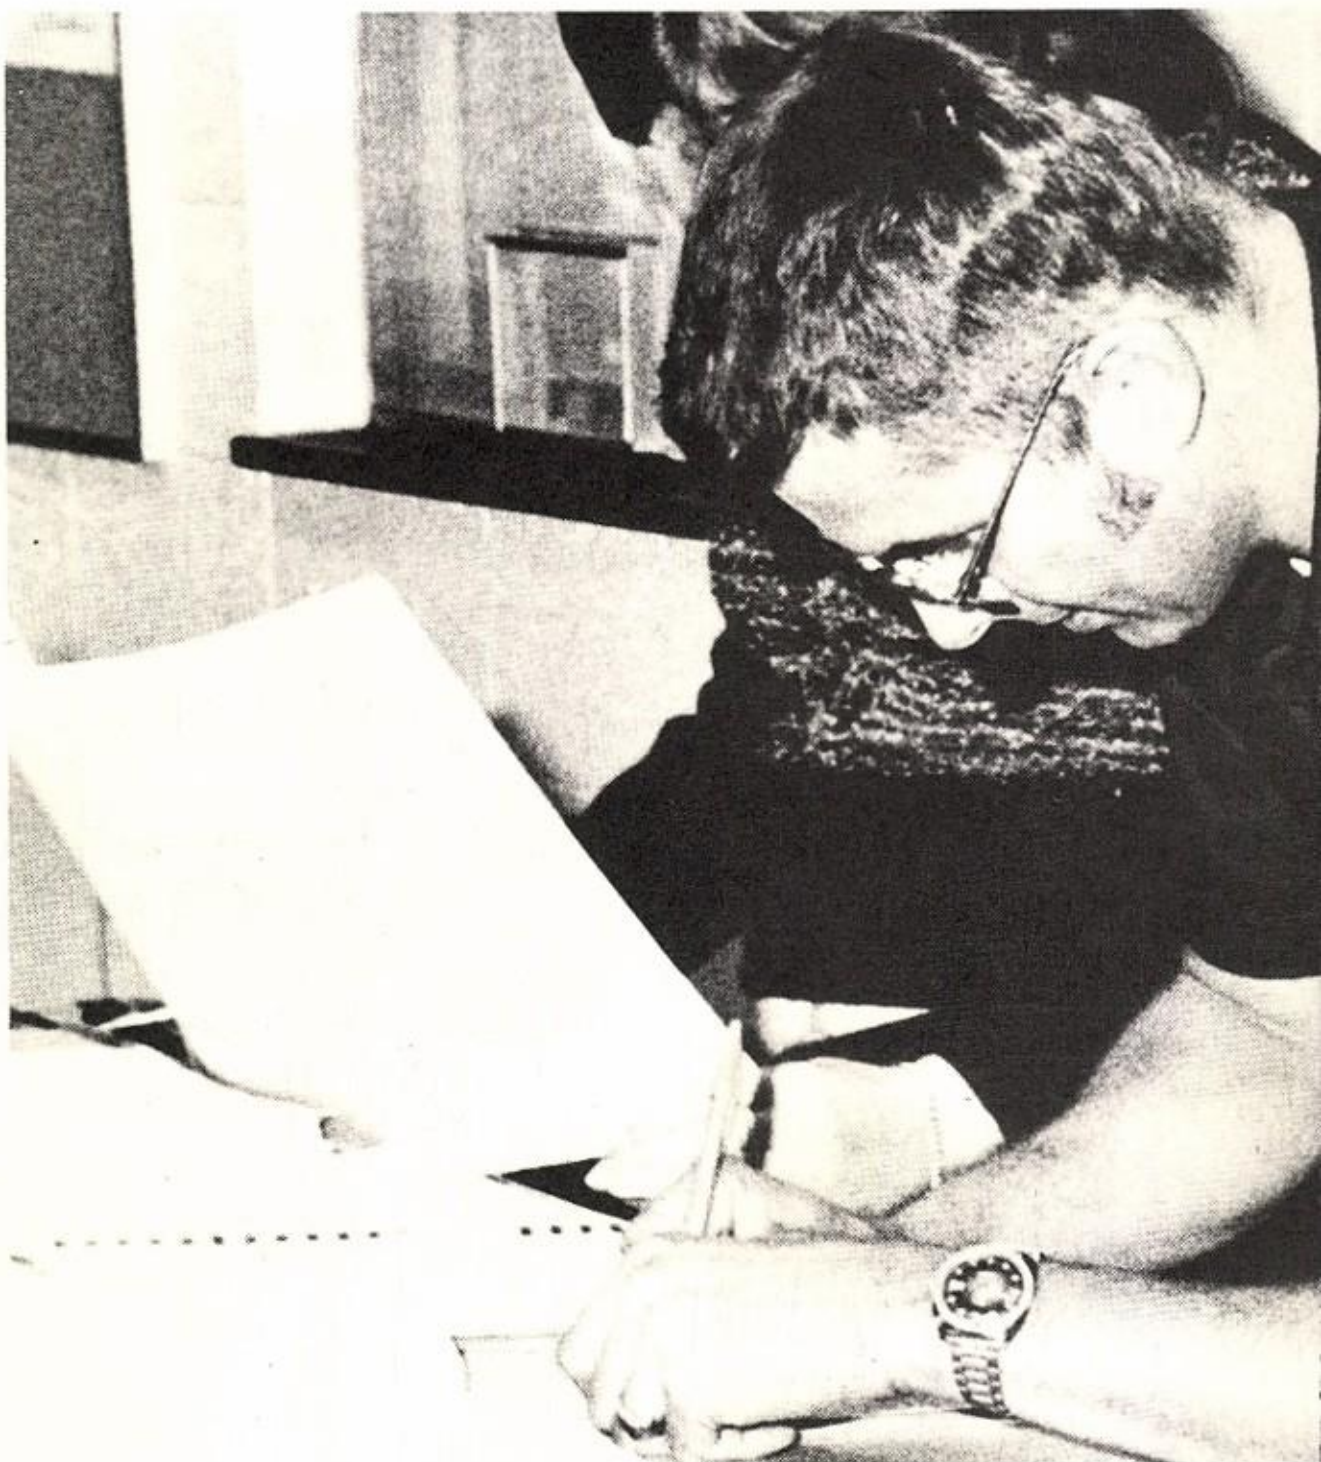

The Physical Education Department has added Outdoor Recreation to its class offerings while the Social Studies Department expanded its view of the same history with the addition of International Relations and Far Eastern Geography.

The voices of the Music Department just keep getting better. Win Schuler's in Farmington was graced with the Vocal Ensemble for two evenings in the winter.

The Marching Redskins look forward to the hopes of attending the Rose Bowl in Pasadena, California in 1976.

Manufacturing Company

Hi-Mill Manufacturing, located at 1704 East Highland Road, manufactures many vital parts for refrigerators, air conditioners and other household and industrial items.

Aside from making these products they also participate in many community activities.

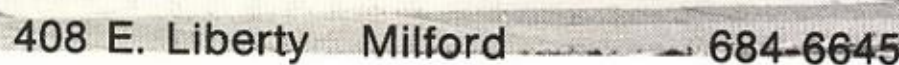

To him,
a wonderful
friend who I like
very much. Mostly
because you are one of the
few people who know
Jesus and loves
him like I do. Even
though I can only say
I know you in the halls
I know we have a much
closer, deeper friendship
than you well, always
more and always, if you
see you again
someday in
Heaven.
